SUPPLEMENT TO REQUEST FOR REVIEW SUBMITTED ON APRIL 23, 2010

On April 23, 2010, Albuquerque School District submitted a Request for Review relating to denials for FY 2007 of Funding Request Numbers 1536104, 1536132, 1536143, 1536163, 1536261, and 1540723 on Form 471 Application Number on 548427.¹ The reason for denial was that "the referenced RFP was not available for 28 days after the filing of the Form 470." The Request asked that the Commission apply its decision to FYs 2005 and 2006 as well, since many of those funding requests were affected by the same issue.

Albuquerque School District has now received Notification of Commitment Adjustment Letters for the following 471s and FRNs for effectively the same denial reason:

FY 2005

Form 471#: 459813
FRNs: 1332128 and 1332249

FY 2006

Form 471#: 509774
FRNs: 1453677, 1453450, 1453303, 1453385, 1453517, and 1454544

We ask that you add these FRNs to your review pursuant to the earlier Request for Review.
